**DEPARTMENT OF
YOUTH AFFAIRS**

YOUTH DEVELOPMENT

Hon'ble Prime Minister of India in his Independence Day speech on 15th August, 2006 called upon all youth to work shoulder to shoulder in bidding a new India of their dreams. He also assured that this country will have great opportunities for full expression of the skills of youth in India.

The population of persons below the age of 35 years in India is about 70 percent of the total population. Within this, the population between the age of 10-19 years is approximately 225 million, the largest ever cohort of young people to make a transition to adulthood. It is this population of young people, which constitutes, for India, a potential demographic dividend, and/or a challenge of mega proportions if not properly addressed and harnessed.

NATIONAL YOUTH POLICY

The National Youth Policy reiterates the commitment of the entire nation to the composite and all-round development of the youth of India so that they are strong of heart and strong of body and mind in successfully accomplishing the challenging tasks of national reconstruction and social changes that lie ahead.

The Department of Youth Affairs is actively reviewing the existing National Youth Policy, 2003. The draft Youth Policy 2011 is built upon ten thrust areas viz., promotion of national values, social harmony and national unity, empowering youth through employment and entrepreneurship opportunities, education – formal and non-formal, health, health-related issues and healthy lifestyle, promoting gender justice and equality, participation in community service, preparing adolescents for facing challenges of life, social justice and action against unhealthy social practices, issues related to environment, its conservation and preservation, and youth and local governance, including support to state-sponsored programmes and schemes. The draft youth policy has been prepared by Rajiv Gandhi National Institute of Youth Development (RGNIYD) – an apex institution under the Department of Youth Affairs and after extensive consultations with various stake holders. The draft has been circulated by the Department of Youth Affairs to various Ministries/Departments for their comments/suggestions. The draft has also been put on the official website of the Department of Youth Affairs for the public to offer their suggestions.

NEHRU YUVA KENDRA SANGATHAN (NYKS)

Overview

India is on the threshold of a unique demographic dividend with youth being a major strategic asset. The Ministry of Youth Affairs & Sports, the nodal Ministry for youth empowerment and development has been working towards inculcating in the youth an enhanced sense of volunteerism, community service, personality development and good citizenship. Towards this end the Nehru Yuva Kendra Sangathan, one of its flagship implementing arms endeavours to help set up, mentor and nurture rural youth clubs.

Background

Nehru Yuva Kendras were established in the year 1972 with the objective of providing rural youth avenues to take part in the process of nation building as well providing opportunities for the development of their personality and skills. In the year 1987-88, Nehru Yuva Kendra Sangathan(NYKS) was set up as an autonomous organization under the Government of India, Ministry of Youth Affairs and Sports, to oversee working of these Kendras.

Coverage

NYKS alongwith the rural youth clubs is the largest grassroots level voluntary organization; one of its kind in the world. It channelises the power of youth who are in the age group of 13-35 years on the principles of voluntarism, self-help and community participation. NYKS has 501

Kendras, 28 Zonal offices and over 1.25 lakh village based active youth clubs with enrollment of about 37 lakh volunteers. The aim is to form village level voluntary action groups of youth at the grassroots level and harness this huge potential for nation building activities. It is proposed to expand NYKS to the remaining 122 new districts of the country during the current XI Plan period.

The youth clubs and its member volunteers form the base of the NYKS's vast national rural network. NYKS, with its extensive spread and network of youth clubs, nearly 20000 National Youth Corps(NYC) volunteers and Nehru Yuva Kendras has developed into a vibrant mechanism to offer an opportunity to the youth to function as a strategic asset for the country.

Youth Mainstreaming - Youth Club Survey and Validation

A huge exercise was conducted by NYKS recently for a complete validation and survey of all the existing 3.5 lakh youth clubs, involving 12000 youth volunteers in a 85 day campaign. A comprehensive database of 1.25 lakh active youth clubs with a 37 lakh membership at the grassroots level has been created and online database will be made available on the website of NYKS.

Programmes undertaken by NYKS

The basic through its various programmes, NYKS attempts to bring forth the youth in the mainstream of national development as active participants, responsible and productive citizens of

modern India. NYKS has been involved in undertaking program literacy, advocacy, awareness campaign, social audit and assistance in implementation of flagship programs of various government departments for socio-economic development through an independent grassroots level network of over one lakh village based youth clubs. Nehru Yuva Kendra Sangathan regularly undertakes activities for capacity building and awareness of Youth Clubs, skill up-gradation and training for employability of Rural Youth, as well as their personality development and good citizenship. NYKS is also engaged in organizing adventure activities for the youth, inter-school games and other sports events at Block, District and State levels. NYKS also organizes National Youth Festival having cultural activities, competitive events, exhibition of handicrafts, food festival etc weaving a social fabric of different hues of the country's vibrant youth.

Convergence with other Ministries/Departments

A paradigm shift in the utilization of the vast network of NYKS and its field units has commenced. One such role which the Department has recently taken as a major initiative has been synergy and convergence of efforts with the Government of India as well as State Governments. Youth Clubs and NYC volunteers now provide ample opportunities and a suitable platform for outreaching various programs and schemes of the Government of India and the State Governments. This network has been found useful in multifarious ways through program literacy, advocacy ,program implementation in possible areas on pilot basis and social audit of some of the major flagship programs of the Government.

RAJIV GANDHI NATIONAL INSTITUTE OF YOUTH DEVELOPMENT

As youth development constitutes a core component of national development in the context of building human resources in a vast country like ours, it was felt that there must be a national organization to identify all the relevant aspects of youth motivation and to develop and design programmes for promoting youth welfare. With this objective, Rajiv Gandhi National Institute of Youth Development (RGNIYD) was set up as an autonomous body by the Department of Youth Affairs and Sports, Ministry of Human Resource Development, Government of India and registered under Societies Registration Act, XXVII of 1975 S.No.67 of 1993.

It has emerged as a professional resource agency, and acts as a think-tank of the Ministry of Youth Affairs and Sports, and assists the Government and Non-government agencies in youth related activities. As the apex Institute at the national level, it works in close cooperation with the NSS, NYK and other youth organisations in the implementation of training programmes. The Institute is a nodal agency for training youth and a facilitator of youth development activities in rural as well as in urban areas.

It was accorded the status of deemed university by Ministry of HRD on 23rd October, 2008.

The Institute is provided with the essential facilities and infrastructure so that it would serve as a Centre of Advanced Study and Applied Research for ensuring availability of professional expertise

in youth work and to create a competent cadre of youth workers. As a regular feature of its functional activities, the Institute has launched a number of research projects and extension programmes to unearth the potential in the young people which perhaps remain untapped. It provides a forum for youth to debate and discuss issues that concern them as well as those that impinge on their development.

This Institute has the following five Divisions and Cells besides the Administrative Division, each under a Faculty Head.

- Training, Orientation and Extension Division (TOE)
- Research, Evaluation and Documentation/Dissemination Division (READ)
- Panchayati Raj and Youth Affairs Division (PRIYA)
- International Centre for Excellence in Youth Development Division (ICEYD)
- Social Harmony and National Unity Division (SHANU)
- Adolescent Health and Development Cell
- Gender Studies Cell

YOUTH HOSTELS

Youth Hostels are built to promote youth travel to enable the young people experience the rich cultural heritage of the country. The construction of the Youth Hostels is a joint venture of the Central and State Governments. While the Central Government bears the cost of construction, the State Governments provide fully developed land free of cost with water, electricity and approach roads. Youth hostels are located in areas of historical and cultural value, educational centre, tourist importance etc. where facilities for youth activities are available. These provide good accommodation for the youth at reasonable rates. The Youth Hostels are looked after by Managers, appointed by the Central Government.

Ministry of Youth Affairs & Sports (Department of Youth Affairs), Government of India, have decided to select Managers for the Youth Hostels from retired Defence Personnels preferably from the catchment area of the Youth Hostel and having command over Hindi, English and local languages. Under the new appointment policy, persons retired from Defence Services (The Army/ Navy/Airforce) in the rank of Major/Lt.Col./Col.or equivalent are eligible for appointment as Managers in Youth Hostels. Willing retired JCO's can also be appointed.

During the current financial year, the tariff charges of the Youth Hostels have been revised. The last revision of the tariff charges was during 2003.

So far 80 Youth Hostels have been constructed across the country and 5 more youth hostels are under various stages of construction. Out of 80 Youth Hostels, 12 Hostels have been transferred to Nehru Yuva Kendra Sangathan (NYKS), Sports Authority of India (SAI) and the respective State Governments for optimum use for youth and sports development. A statement indicating details of such completed/transferred/under construction youth hostels are at **Annex-V,VI & VII.**

An amount of Rs.1,00,00,000/- (Rupees One crore only) @Rs.5.00 lakh each Youth Hostel have been released during the current financial year, 2010-11 for undertaking immediate facelifting of 20 Youth Hostels located at Port Blair (A&N Island), Vijayawada (AP), Pedam Mapusa (Goa), Gandhinagar (Gujarat), Dalhousie (HP), Thirthameshwar (Karnataka), Kozhikode (Kerala), Jabalpur (MP), Gopalpur-on-Sea (Orissa), Puri (Orissa), Ajmer (Rajasthan), Jaipur (Rajasthan), Tanjavur (Tamil Nadu), Trichy (Tamil Nadu), Agra (UP), Mussoorie (Uttarakhand), Darjeeling (WB), Tezpur (Assam), Gangtaok (Sikkim), Agartala (Tripura).

Five Youth Hostels located at Jalandhar (Punjab), Kadappa (Andhra Pradesh), Roing (Arunachal Pradesh), Churachandpur & Thoubal (Manipur) are at advanced stages of construction. Out of these five Youth Hostels, two Youth Youth Hostels at Jalandhar (Punjab) and Thoubal (Manipur) are likely to be completed by the end of the current financial year.

The Ministry is also working towards giving the existing youth hostels a new look and new working system to meet the expectation of today's youth.

NATIONAL PROGRAMME FOR YOUTH AND ADOLESCENT DEVELOPMENT (NPYAD)

The scheme titled National Programme for Youth and Adolescent Development (NPYAD) has been formulated by merger of four 100% Central Sector grants-in-aid schemes of the Ministry of Youth Affairs & Sports during 10th Plan namely, Promotion of Youth Activities & Training, Promotion of National Integration, Promotion of Adventure and Development and Empowerment of Adolescents, with a view to reduce multiplicity of schemes with similar objectives, ensuring uniformity in funding pattern and implementation mechanism, avoiding delays in availability of funds to the field level Organisations and institutionalizing participation of State Governments in project formulation and its implementation. While there will be synergy and convergence in operational mechanism and programme delivery, there will be clear distinction with regard to the financial parameters of each of the components under the scheme.

The Ministry of Youth Affairs and Sports will receive proposals from All India Organisations directly, except for Panchayati Raj Institutions and Urban Local Bodies and Educational Institutions, including Polytechnics who will route their proposals through the Department of Youth Affairs of the Concerned State Government / UT Administration.

The scheme is being implemented in the project mode through Project Implementing Agencies (PIAs). The PIA may submit project proposal involving one or more programme area or components under the scheme but the key factor for consideration of the project will be the past experience and resource (infrastructure and technical manpower) available with the PIA. The proposals are placed before a duly constituted Project Appraisal Committee (PAC) in the Department of Youth Affairs under the Chairmanship of Secretary(Youth Affairs) for taking a decision on the proposals.

The targeted beneficiaries of the programmes are youth and adolescents under a youth network recognized by the State or Central Government. They include members of youth clubs affiliated to Nehru Yuva Kendra Sangathan or State Governments, NSS Units, or student youth in Schools, Colleges and Universities. Adolescents and Youth from other established youth organizations, which have branches in different parts of the country, are also eligible. Preference is given to the youth with special abilities and youth belonging to scheduled caste, scheduled tribes and other weaker sections.

National Youth Festival

Ministry of Youth Affairs and Sports in collaboration with the State Govt. of Rajasthan organized the 16th National Youth Festival in the city of lakes Udaipur, Rajasthan during 12-16 January, 2011. The theme of the Festival was 'Sabse Pahle Bharat'. About 2500-3000 youth from all over the country including all North Eastern States participated in the 5 day Festival. H.E. Shri M. Hamid Ansari, Vice-President of India, Hon'ble Minister of Youth Affairs and Sports, Hon'ble Minister of State for Youth Affairs and Sports, Government of India and the Hon'ble Chief Minister of Rajasthan added prestige to the Festival.

Several attractive programmes such as "Yuva Kriti", "Food Festival" and "Air Adventure" and interactive programmes like "Suvichar" and "Youth Convention" held during the Festival were highly appreciated by the people at large.

Shri Mohammed Azharuddin, MP and former captain of Indian Cricket Team and Sini Jose, member of the gold medal winning Indian Women's Team in the 4x400m relay quartet during the XVI Asian Games, Guangzhou 2010 also addressed and motivated the NSS participants of "Suvichar".

Tenzing Norgay National Adventure Award

Tenzing Norgay National Adventure Award recognizes the achievement of persons in the field of adventure and encourages young people to develop the spirit of endurance, risk taking, cooperative teamwork and quick, ready and effective reflexes in challenging situations. Normally, one award each in the field of air adventure, water adventure and land adventure is given. A lifetime achievement award is also given annually. The award consists among other things an amount of Rs.5.00 lakhs each.

National Youth Awards

National Youth Award has been introduced to motivate young persons to take up voluntary communally service. It recognizes the outstanding work done by young persons for national development and social service. One youth award is also given to a voluntary organization engaged in involvement of youth in various programmes of national development. The award consists of an amount of Rs.40,000/- to the individual and Rs.2.00 lakh to a voluntary organization. The number of awards given each year would ordinarily not exceed 25. These awards are normally given on the opening day of the National Youth Festival. The awards for 2009-10 were given by Shri M. Hamid Ansari, Hon'ble Vice President of India to 22 individuals during the 16th National Youth Festival at Udaipur on January 12, 2011. The list of awardees is given at **Annex-VIII**.

UNFPA assisted Scheme

The UNFPA has extended support to the Ministry of Youth Affairs and Sport in the form of a project which is part of the large programme funding of UNFPA for the Ministry of Health's RCH Project. The main aim of this programme is to enable capacity building for rationalizing the Adolescents Development Scheme of the Ministry of Youth Affairs and Sports including the setting up of an Adolescents Cell in the Ministry. The assistance was provided under the 6th Country Programme of UNFPA which was for the period 2004-2007. The main activities and key action areas taken up/proposed under the project are: Capacity Building for NSS, NYKS, RGNIYD; Institutional Strengthening of the implementing agencies; perspective building / orientation and training of nodal officers / field functionaries. Formation of Teen Clubs through NYKS in 64 Districts; Developing MIS and database formats for NSS and NYKS; Development of facilities Manual for training of peer Educators and Setting up of a National Adolescent Resource Centre at RGNIYD during the 10th Five Year Plan and an expenditure of Rs. 13.40 Crores (beginning 2005-06) was incurred under the Project.

It is proposed to continue the UNFPA supported project under the 7th Country Programme (CP 7) of UNFPA, which will be for the period 2008-2012. In the next programme being drawn up for 2008-2012, besides continuing the strengthening of the ongoing activities, the project will be expanded to more blocks in the existing districts and additional districts will also be covered.

COMMONWEALTH YOUTH PROGRAMMES (CYP)

The Commonwealth Youth Programme (CYP) vision is to work towards a society where young women and men are empowered by developing their potential creativity and skills as productive and dynamic members of their societies. These young men and women are enabled to participate fully at every level of decision making development successfully promoting Commonwealth values of international co-operation, social justice, democracy and human rights. This programme came into being in 1974 with the overall purpose of promoting the development of youth in the Commonwealth. This programme encourages and supports the youth in the process of national development and provides opportunities for increasing international understanding.

CYP Asia Centre at Chandigarh, is one of the four CYP Regional establishments along with the Centres in Lusaka (Zambia) for the Africa region, Georgetown (Guyana) for the Caribbean region and Solomon Islands for the South Pacific region. The overall responsibility for CYP lies with the Commonwealth Secretariat at London. The activities of the CYP including the Asia Centre are directed by Youth Affairs Unit of the Commonwealth Secretariat. The Asia Centre meets the specific needs of eight Commonwealth Countries of the region, namely, Brunei Darussalam, Bangladesh, India, Pakistan, Malaysia, Maldives, Singapore and Sri Lanka.

At present, there are three major strategic areas on which Commonwealth Youth Programme is concentrating:

- National Youth Policy;
- Human Resource Development, and
- Youth Empowerment.

The programmes are financed by member countries and India.

EXCHANGE OF DELEGATIONS OF YOUTH AT INTERNATIONAL LEVEL

The Department endeavors to create an international perspective in collaboration with other countries and international agencies/organizations on various youth issues. The Department also collaborates with the Commonwealth Youth Programme Asia Centre, Chandigarh in organizing a number of events concerning youth in Commonwealth countries in the Asia-Pacific Region.

Under this programme exchange of youth delegations with friendly countries is taken up on reciprocal basis for promoting exchange of ideas, values and culture amongst the youth of

different countries and also to develop international understanding. Exchange of youth delegations were organized with China and Republic of Korea. **DEPARTMENT OF
SPORTS**

SPORTS

Sports and games have always been seen as an integral component in all round development of human personality. Apart from being means of entertainment and physical fitness, sports have also played a great role in generation of the spirit of healthy competition and bonding within the community. Needless to mention that achievements in sports at the international level have always been a source of national pride and prestige.

With modern sports being highly competitive, the use of modern infrastructure, equipment and advanced scientific support has changed the scenario of sports at the international level. Keeping in line with the growing demands for advanced infrastructure, equipment and scientific support, Government of India has taken several initiatives and is providing the necessary assistance to the sportspersons by way of training and exposure in international competitions backed up with scientific and equipment support.

NATIONAL SPORTS POLICY INITIATIVES

Physical education, games and sports have been receiving attention over successive Plans. However, it was only after India hosted the IX Asian Games in 1982 that "Sports" as a subject of policy started receiving attention. National Sports Policy, 1984 was the first move towards developing an organized and systematic framework for the development and promotion of sports in the country, and the precursor of the present National Sports Policy, 2001.

NATIONAL SPORTS POLICY 2001

The twin planks of the National Sports Policy 2001 are "Broad-basing" of Sports and "Achieving Excellence in Sports" at the national and international levels.

The salient features of the Policy are as under:

1. Broad basing of sports and achievement of excellence;
2. Up-gradation and development of infrastructure;
3. Support to National Sports Federations and other sports bodies;
4. Strengthening of scientific and coaching support to sports
5. Special incentives to promote sports
6. Enhanced participation of women, scheduled tribes and rural youth;
7. Involvement of corporate sector in sports promotion; and
8. Promote sports mindedness among the public at large.

SCHEMES OF SAI

The Sports Promotional Schemes of SAI were conceived and formulated during 7th Five Year Plan for development and promotion of sports at grass-root level in the country and to achieve excellence at the national/international level by grooming the talented children. The following Sports Promotional Schemes are being implemented by the Operations Division through the Regional Centres/ Sub Centres/ Academic Institutions:-

- 1) National Sports Talent Contest (NSTC) Scheme
- 2) Army Boys Sports Companies (ABSC) Scheme
- 3) SAI Training Centre (STC) Scheme
- 4) Special Area Games (SAG) Scheme
- 5) Centre of Excellence Scheme

The salient features of the aforesaid Schemes being implemented by the SAI are enumerated below:

NATIONAL SPORTS TALENT CONTEST (NSTC) SCHEME

Introduction

The National Sports Talent Contest Scheme was launched during 1985 under which the talented young children between the age group of 8-14 years are spotted and nurtured by providing scientific training.

Objective

The main concept of the scheme is to PLAY & STUDY in the same school. The scheme envisages scientific scouting of talent at optimum age essential for converting the genetically and physiologically gifted children into future medal hopes in various competitions at National and International level.

Adoption of Schools

Under the scheme, the schools having good sports infrastructure are adopted. Each adopted school in addition to getting the services of coaches for imparting training to the trainees will get financial assistance for purchase of consumable sports equipment.

Selection criteria

The selection of trainees under the above scheme is done on potential / performance basis.

- 1) Medal winners in State/National Level Competitions are automatically admitted into the Scheme subject to their being found medically fit.
- 2) Medal winners at District Level Competitions or have participation in State Level Competitions are admitted subject to their being found fit medically and physically and also have the required potential which is assessed by battery of tests.
- 3) Selection from remote, tribal & coastal areas is done by organizing competitions.
- 4) The selection for team games as well as individual events is done by a Selection Committee consisting of representatives of SAI, School/Akhara, SAI coaches, Sports Scientists etc.
- 5) The sports persons identified on this basis are offered admission after age verification, medical examination and finding suitable by applying battery of tests.

Disciplines covered

Archery, Athletics, Badminton, Basketball, Football, Gymnastics, Hockey, Kabaddi, Kho-kho, Swimming, Table Tennis, Volleyball, Wrestling & Indigenous Games & Martial Arts.

Facilities provided

Under the Scheme, selected trainees are admitted on non-residential basis. However, in exceptional cases, the trainees are admitted on residential basis and they are provided boarding & lodging facilities.

S.No.	Particulars	Amount (Rs.)
1	Boarding & Lodging per head per day for 300 days (2 Schools only)	75.00
2	Sports Kit (per head per annum)	2000.00
3	Insurance (per head per annum) (Presently Rs. 32/- being paid per head per annum)	150.00
4	Competition exposure (per head per annum)	2000.00
5	Stipend for 10 months (per head per month)	3000.00
6	Annual grant to the school for purchase of sports equipment (per unit per annum)	20000.00

PANCHYAT YUVA KRIDA AUR KHEL ABHIYAN (PYKKA)

Introduction:

Sport plays a crucial role in the physical fitness and well being of people, apart from contributing to social inclusiveness, gender equality and youth development. India, to become a leading country in the world of sports, needs a strong network of sports infrastructure up to the grassroots level; organized competitions at all levels; integration of sports and physical education with the formal educational system; and development of a sporting culture. Towards this endeavor, Government of India introduced a nation-wide rural sports programme called 'Panchayat Yuva Krida Aur Khel Abhiyan' (PYKKA) in the year 2008-09. It is a Centrally Sponsored Scheme (CSS), being implemented through State Governments/ UT administrators.

Aims of PYKKA:

- creation of basic sports infrastructure in 2.50 lakh village panchayats and 6,400 block panchayats (and its equivalent units in the country), in a phased manner, over a period of 10 years, with annual coverage of 10% for normal states, and 20% for border states and special category states, including North- Eastern states;
- providing 100% central assistance to States/UTs for holding annual rural sports competitions at block, district, state and national level; and
- extending financial support for conducting National Women Championship, Inter-School Competitions and North East Games.
- While the PYKKA scheme is being implemented for development of basic sports infrastructure in rural areas, a new scheme for development of sports infrastructure in urban areas has also been devised for implementation from 2010-11. A budget provision of Rs. 123 crore has been kept for this purpose in the current financial year.

Objectives of PYKKA:

- To create a network of basic sports infrastructure throughout the country;
- To provide universal access to sports in rural areas and promote a sports culture,
- To harness available and potential sporting talent among rural youth, through a well designed competition structure starting from the block level;

Funding pattern:

Infrastructure grant: Development of basic sports infrastructure in village/block panchayats:

S.No.	Component	Village Panchayat	Block Panchayat
1.	One-time Capital Grant for levelling of playfields, etc. (in the ratio of 75:25 between centre and states; and 90:10 in the case of special category states / North- Eastern states. (100% central grant)	Rs.1 lakh	Rs.5 lakh
2.	Annual Acquisition Grant for 5 (five) years, for sports kit/ equipment.	Rs.10,000/-	Rs.20,000/-
3.	Annual Operational Grant for 5 (five) years, for maintenance expenses, including honorarium to kridashrees.	Rs.12,000/-	Rs.24,000/-

Annual Competitions (100% central grant): Quantum of grant-in-aid for holding competitions at various levels is tabulated below:-

	Competitions	Funding pattern
PYKKA Rural Competitions:		
1	Block Level Competitions	Rs.50,000/- @ Rs. 10,000/- per discipline for 5 disciplines + Rs. 45,000/- prize money for the first three winning village panchayat.
2	District Level Competitions	Rs. 2 lakh @ Rs. 20,000/- per discipline for 10 disciplines + Rs. 90,000/- prize money for the first three winning block panchayat.
3	State Level Competitions	(i) Rs.10 lakh for state@ Rs. 1 lakh per discipline for 10 disciplines; (ii) Rs. 5 lakh for UT @ Rs. 50,000/- per discipline, for 10 disciplines. Note: 20% of total amount will be utilized for award of prizes.
4	National Level Competitions	Rs.70 lakh (Rs. 3.50 lakh per discipline for 20 disciplines) to host state. Note: Rs. 50,000/- out of Rs. 3.50 lakh per discipline is earmarked for award of prizes.

North East Games: These games are for encouraging/promoting traditional and tribal sports. Funding norms for conduct of district, state and national level games, limited to NE states had been enhanced with effect from 3rd February, 2010.

	Competitions	Funding pattern
North East Games:		
(i)	District Level	Rs. 50,000/-
(ii)	State Level	Rs. 6 lakh @ Rs. 75,000/- per discipline for 8 disciplines.
(iii)	National Level	Rs. 55.90 lakh

Inter-school Sports Competitions and National Sports Festival for Women: These games have been brought under PYKKA scheme with the following enhanced funding norms:

	Competitions	Funding pattern
Inter-school Competitions:		
(i)	District Level	Rs. 1 lakh @ Rs. 10,000/- per discipline for 10 disciplines
(ii)	State Level	Rs. 3 lakh @ Rs. 30,000/- per discipline for 10 disciplines
(iii)	National Level	Rs. 35 lakh (@ Rs. 3.50 lakh per discipline for 10 disciplines) + cash award of Rs. 1 lakh and rolling trophy to the best sports performing school.
Women Competitions:		
(i)	District level	Rs. 1.20 lakh @ Rs. 10,000/- per discipline for 12 disciplines.
(ii)	State Level	Rs. 6 lakh for State @ Rs. 50,000/- per discipline for 12 disciplines; Rs. 3 lakh for UT @ Rs. 25,000/- per discipline for 12 disciplines.
(iii)	National Level	Rs. 42 lakh @ Rs. 3.50 lakh per discipline for 12 disciplines.

Administrative Structure:

A. National Level:

- The General Council of PYKKA, headed by the Union Sports Minister is the highest policy making body. The Executive Committee of the PYKKA scheme chaired by Secretary (Sports) is empowered to approve the PYKKA Mission Plan, detailed Annual Action Plans of States/ UTs etc.;

- Mission Directorate, headed by Joint Secretary (Sports) in the Ministry of Youth Affairs & Sports executes the programme at national level in association with the Sports Authority of India (SAI) and Nehru Yuva Kendra Sangathan (NYKS). Agencies like UNICEF, Magic Bus and Isha Foundation are also associated as knowledge partners for the scheme.

B. State Level:

- According to the PYKKA guidelines, each State/UT has to set up PYKKA cell in the Sports Department or Sports Authority/Council to implement/monitor the scheme. Rs. 30,000/- p.m. is provided to each State for engaging technical consultant or supporting staff in lieu thereof (as on 31st August,2010, Rs.52.74 lakh has been released to states for this purpose);
- State level Executive Committees are headed by the Chief Secretaries of States. District and Block level Executive Committees are headed by the Presidents of the respective Zila Parishads and Block panchayats; and
- States/UTs have been asked to associate the Members of Parliament (M.Ps) with the District level Executive Committees.

Plan outlay, Budget allocation and utilization:

A plan outlay of Rs.1,500 crore has been earmarked in the Eleventh Five Year Plan for the PYKKA scheme. A statement showing budget allocation and utilization for development of basic sports infrastructure facilities in village/block panchayats and holding annual competitions at block, district, state and national level including North East Games, for the last two financial years and up to 31st December, 2010 of the current financial year is tabulated below:-

(Rs. in crore)

Sl. No.	Year	Budget allocation	Budget utilization		
			Infrastructure component	Competitions	Total
(i)	2008-09	92.00	83.85	8.15	92.00
(ii)	2009-10	135.00	105.00	30.00	135.00
(iii)	2010-11*	413.00	130.24*	55.09*	185.33*
	Total	640.00	319.09*	93.24*	412.33*

*Figures up to 31st December, 2010.

Utilization of budget was 100% during the initial two years (2008-09 & 2009-10).

Fund is released to States and UTs on submission of proposals fulfilling the terms and conditions of the scheme.

Development of basic Sports Infrastructure facilities: Summary of village/block panchayats approved and financial assistance released so far, to States/UTs is given below in a tabular form:-

(Rs. in crore)

Sl. No.	Year	Number of proposals (of states) approved	Number of Village Panchayats approved	Number of Block Panchayats approved	Admissible grant approved	Amount released

@ Figure is less vis-à-vis approved figure, due to less budget allocation in 2008-09.

includes release of grants approved for the previous year(s) (i.e. 2008-09; 2009-10).

* upto 31st December, 2010.

The PYKKA scheme has been adopted in 28 States and 3 UTs in respect of basic sports infrastructure development, out of a total of 35 States/UTs. Four UTs namely Daman and Diu, Dadra and Nagar Haveli, Chandigarh and Delhi have not yet adopted the PYKKA scheme. So far (upto to 31st December, 2010), 36,329 village panchayats and 1,153 block panchayats have been approved with grant-in-aid of Rs. 413.88 crore. Rs. 370.33 crore has so far been released to States/UTs up to 31st December, 2010.

Physical progress achieved (Sports infrastructure): Most of the states have set up PYKKA Cells, Executive Committees at state, district and block level; identified PYKKA implementing agencies; and engaged Kridashrees (community coaches) for managing the PYKKA centres;

Annual Rural Sports Competitions: Number of States availing themselves of grants for conducting PYKKA competitions has increased to 18 in 2009-10 from 08 in 2008-09. The total number of participants in these competitions is around 22.50 lakh (13.75 lakh men and 8.75 lakh women).

Convergence of PYKKA scheme with other Central and State schemes: PYKKA scheme encourages convergence with different Central and State schemes for meeting its objectives. The scheme recommends convergence approach in terms of resource mobilization by village/block panchayats through own resources or from other sources like State Government contribution, MLALAD scheme, MPLAD scheme, Backward Region Grant Fund, MGNREGA assistance, private contributions, etc.

The scheme specifically envisages that funding from Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) should be tapped for undertaking labour intensive work such as leveling of playing fields, etc. States/UTs have been, accordingly, advised to avail the benefits under MGNREGA scheme for development of playfields.

Some States have already been utilizing the sources of funds from MGNREGA, MLALAD scheme and MPLAD scheme for leveling and fencing of playfields. Ministry of Rural development has agreed to provide assistance for construction of 'Mini Stadium' for every 100 villages.

PYKKA-MIS:

It was formally launched in November, 2009. The computerized MIS enables online submission of proposals by States/UTs, tracking of proposals and conveying of approvals. It also seeks to achieve online monitoring of financial and physical progress; and preparation of comprehensive data base on playing fields, competitions and participants at all levels of PYKKA rural competitions, including Women and Inter-School competitions.

National Informatics Centre (NIC) conducted workshops on PYKKA-MIS for state officials engaged in implementation of PYKKA to familiarize them with working knowledge of submitting online proposals, besides two days practical training at NIC headquarters, New Delhi, to feed data/ online submission of proposals. Kerala is the first state to submit online proposals seeking financial assistance under PYKKA scheme.

The website (www.pykka.gov.in) inter-alia provides citizens participation by enlisting their suggestions, sharing their success stories in the sports domain, etc. Public domain of PYKKA website is now fully functional.

PYKKA Resource Centre (PRC) was set up at LNUPE, Gwalior (M.P) in November, 2009 for achieving the following components connected with the implementation of PYKKA Scheme:

- Capacity building;
- Standardization;

-
- Monitoring and evaluation;
 - Documentation;
 - International Cooperation; and
 - Sharing of best practices.

Training/capacity building of Master Trainers and Kridashrees:

Kridashree is an honorary community coach/sports volunteer at village and block panchayat who will manage the sports facilities. He/she will also act as a sport trainer, motivator and counsellor for encouraging the rural community to adopt sports and games as a way of life. It is one of the targets under PYKKA scheme to train ` 2 lakh community coaches (kridashrees) besides 6,000 State officials/persons as master trainers over a period of 10 years across the country.

Training of Master Trainers: Comprehensive 'Manuals for training of Master Trainers' was prepared and circulated to all concerned; two weeks training programme is organized for 600 state officials/persons in each financial year at Laxmibai National University of Physical Education (LNUPE), Gwalior (M.P). Special training materials have been prepared in 20 different games and sports identified under PYKKA scheme. Rs. 35.25 lakh was utilized for training of 577 officials in 2009-10. This year (2010-11) Rs. 47.00 lakh has been released to LNUPE, Gwalior (M.P) for training of 600 officials. State officials/persons trained at LNUPE would in turn train 20,000 kridashrees in a year in States//UTs;

Training of Kridashrees: One week training programme for kridashrees is organized in States/UTs with full financial support from the Mission Directorate. Rs. 2.92 crore was provided to 22 States for training of 20,336 Kridashrees in 2009-10. Till December, 2010, 14,614 Kridashrees were trained. The remaining Kridashrees would have been trained by March, 2011

Knowledge Partners of PYKKA:

UNICEF is associated with the PYKKA Resource Centre (PRC) in the areas of training, monitoring, and advocacy besides co-opting with the states in the implementation of the scheme. It has done pioneering work in the states of Andhra Pradesh, Assam, Chattisgarh, Maharashtra and West Bengal for setting up model PYKKA centres.

Magic Bus (a registered NGO) is also developing two pilot PYKKA centres in the Sangli district of Maharashtra and Medak district of Andhra Pradesh. Financial assistance of Rs. 8 lakh has been provided to Magic Bus for the purpose.

Isha Foundation, Coimbatore, Tamilnadu is conducting yoga classes for Master Trainers and community coaches (kridashrees) as part of their training programme. This would motivate and mobilize the rural youth to participate actively in the implementation of PYKKA scheme.

Monitoring: Mission Directorate officials make regular visits to States/UTs and oversee the development of playfields and setting up of PYKKA centres at village and block panchayats. Mission Directorate is in the process of engaging interested Arjuna awardees (of retired sportspersons) as honorary PYKKA Observers, for monitoring the implementation of PYKKA scheme including training of kridashrees in States/UTs.

New initiatives under PYKKA scheme:

States/UTs have been allowed to:

- avail admissible infrastructure grant for the un-availed year(s) from 2008-09;
- avail infrastructure grant on pro-rata basis for the previous(s) year(s) from 2008-09 onwards for village/block panchayats, having population exceeding national average;
- **utilize Rs. 2,000/- and Rs. 4,000/-** respectively for **administrative expenses** from the annual operational grant admissible for village/block panchayats; and
- **avail 100% grant (for UTs) having no legislature** and getting full budgetary support from the Centre.
- Hitherto, admissible grant was provided to States/UTs in two installments. From now onwards, the same is provided in one installment to speed up the implementation of the scheme;
- Hitherto, annual acquisition, operational and competitions grants for block, district and state level competitions were released to the States/UTs through Sports Authority of India (SAI). From 2010-11 onwards, these grants are released to States/UTs directly by the Mission Directorate to avoid unnecessary delay;
- From 2010-11, age limit for participation in district, state and national level competitions has been reduced to 16 years from 18 years. Block level competitions will be open to all with separate events for those with less than 16 years of age.
- Award of merit certificate in the block & district level competitions has been introduced for the first time; Like-wise, award of participation and merit certificates for participants in the state and national level competitions has also been introduced;

-
- Hitherto, national level PYKKA competitions for twenty sports disciplines was held in four groups. From this year onwards, the same will be held in six groups. This will facilitate smaller States and UTs also to host national level PYKKA competitions;
 - Funding norms for national level North East Games has been standardized at a higher level (Rs. 55.90 lakh).
 - States have been asked to associate Members of Parliament (M.Ps) in the District level PYKKA Executive Committees for effective monitoring of PYKKA Scheme.

Outcomes envisaged:

- All village and block panchayats (and their equivalent units) would have earmarked/protected playing fields;
- Preference given to schools would help in realizing the long standing objective of integrating physical education and sports with formal education;
- Four million plus youth, expected to participate in the annual rural sports competitions, will provide a huge base to identify and nurture young talent;
- The scheme provides for linking talent identification schemes of SAI's and States' to spot and nurture young sporting talent.
- The scheme is expected to help in producing over 2 lakh community sports instructors over a period of 10 years, who will help in promoting a strong sports culture in the country;
- Finally, mass participation in sports would contribute significantly to youth development (leadership qualities, health and fitness), community development (social inclusiveness; reduction in crime), national pride, international cooperation and in furthering economic development in the area of sports activities.

SCHEMES RELATING TO PROMOTION OF EXCELLENCE IN SPORTS

1. SCHEME OF ASSISTANCE TO NATIONAL SPORTS FEDERATIONS:

Under this scheme, the Government of India provides assistance to National Sports Federations (NSFs) for conducting National Championships and International Tournaments in India, participation in International tournaments abroad, organizing coaching camps, procuring sports equipment, engagement of foreign coaches and disbursement of salaries of the paid Joint/Assistant Secretaries engaged by NSFs.

During the year 2010-11, Government has already incurred an expenditure of Rs. 65 crore under Plan and Rs 3 Crore under Non-Plan on account of proposals received from NSFs for foreign exposure and for holding International Tournaments/National Championships. The expenditure also includes funds released for Coaching camps, providing equipment, engaging foreign coaches and salaries of Joint/Assistant Secretaries of the NSFs.

Apart from this, many proposals have also been approved at No Cost to the Government for foreign exposure and for holding International Tournaments in India.

The details of financial assistance released during the last 3 years i.e., 2008-09, 2009-10 and 2010-11 to various recognized NSFs from the Scheme of Assistance to NSFs and the Scheme of Preparation of Teams for CWG 2010 are given at **Annex-XI**.

The details of foreign Coaches engaged during the year 2009-10 on contract basis have been given in the statement at **Annex-XII**.

2. SCHEME RELATING TO TALENT SEARCH & TRAINING:

Under this scheme, assistance is provided to promising sportspersons for training and training-cum-competitions in India and abroad, for purchase of equipment and for scientific support. Supporting personnel such as coaches, sports scientists, doctors masseurs etc. are also assisted for undergoing specialized training and for attending seminars/conferences and major international sports events and for appearing in qualifying examinations. This scheme is implemented through Sports Authority of India (SAI).

During 2010-11, 56 coaches and community coaches were sent to Cuba for 4 week and 6 week training programme under the Scheme of Talent Search & Training. While 29 high performing

coaches including once coordinator drawn from Sports Authority of India and State Governments have been sent for 6 week training programme, 27 community coaches including one coordinator, who have undergone Master Trainers Training Programme under Panchayat Yuva Krida aur Khel Abhiyan (PYKKA), have been sent for 4 week training programme. Another 30 coaches have been cleared for being sent to Hungary for training. List of beneficiaires is given at **Annex-XIII**.

3. NATIONAL SPORTS DEVELOPMENT FUND

National Sports Development Fund was established by the Central Government in 1998, under Charitable Endowments Act 1890, with a view to mobilizing resources from the Government as well as non-governmental sources, including the private/corporate sector and non-resident Indians, for promotion of sports and games in the country. In order to make contributions to the Fund attractive, 100% exemption from income tax is available on all contributions to the Fund. To begin with, the Government of India made a contribution of Rs. 2.00 crore to the Fund as seed money during the year 1998-99. Further Government contribution is on matching basis to the contributions received from other sources. The total money available in the Fund, as on 31.12.2010, is Rs 70.80 crore.

The Fund is managed by a Council constituted by the Central Government with Union Minister for Youth Affairs and Sports as Chairperson. The day to day working of the Fund is managed by an Executive Committee of ten members headed by Secreary, Department of Sports.

Financial Assistance from NSDF:

NSDF has given financial assistance to outstanding Sports persons, Sports Federations and other organizations. Top level sports persons, who are medal winning prosepsects in Olympics, Commonwealth Games, Asain Games and other international competitions, are selected for financial assistance from NSDF. The assistance is given for their customized training, both in India and abroad, to prepare them for winning medals at international events.

Reputed Organizations/Institutes, engaged in promotion of sports and games, can also get financial assistance for specific projects like creation of infrastructure, procurement of state of the art equipments etc provided a large population of the area/region get the benefits derived out of such projects.

The details of beneficiaries assisted from National Sports Development Fund till date is given in **Annex-XIV**.

Details of contributions, including Government of India contributions, to the Fund, since its inception, are at **Annex-XV**.

SCHEME RELATING TO PARTICIPATIVE SPORTS

(I) Sports Competitions under Panchayat Yuva Krida aur Khel Abhiyan

A number of Sports competitions are organized annually under PYKKA Scheme. Following types of sports competitions are organized under PYKKA Scheme:

- (i) Rural sports competitions at block, district, state and national level
- (ii) Inter-school competitions at district, state and national level
- (iii) North-East Games at district, state and national level
- (iv) Women championships at district, state and national level.

Details about these sports competitions are given in the chapter relating to PYKKA.

(II) The promotion of sports among person with disabilities:

The Ministry formulated a scheme for promotion of sports and games among disabled during 2009. The objective of the Scheme is broad-basing participative sports among the disabled. The Scheme of Sports & Games for the Disabled has the following components:-

- (i) Grant for sports coaching and purchase of consumables & non-consumable sports equipment for Schools
- (ii) Grant for Training of Coaches
- (iii) Grant for holding District, State & National level competitions for the disabled.

Grants to 56 Schools/institutes were granted during 2010-11 upto 31.12.2010.

ANTI-DOPING MEASURES

Objective:

Anti-Doping programmes seek to preserve intrinsic value about sport which is often referred to as 'the spirit of sports'. Doping is fundamentally contrary to this spirit of sport. Government of India is fully committed to the idea of doping free sport environment in the country.

For anti-doping programmes, financial assistance is extended to the National Anti-Doping Agency and National Dope Testing Laboratory to carry out their respective activities.

National Anti Doping Agency (NADA)

1. NADA is the national organisation responsible for promoting, coordinating and monitoring the Dope Control Programme in Sports in all its forms in the country. The Anti Doping Rules of NADA, which are compliant with the Anti Doping Code of World Anti Doping Agency (WADA) came into effect from 1st January, 2009, have been modified in the light of the revised WADA Code of 2009 and the modified Anti List of International Standards brought out by WADA has also been accepted by NADA and the revised list came into effect from 1st January,2010.
2. The various Panels/Committees as required under the Anti doping Rules of NADA i.e. the Anti Doping Disciplinary Panel, the Anti Doping Appeal Panel and Therapeutic Use Exemption Committee (TUEC) constituted in 2009 have become fully functional. A total number of 160 cases have been referred to the Anti Doping Disciplinary Panel and after elaborate hearing, in 100 cases orders for penalty have been issued by the Panel and hearing of remaining cases is in progress. Three cases have been received by the Appeal Panel. The TUE Committee has issued exemption certificate in 18 cases so far.
3. NADA has taken up a major step in sample collection process of athletes and wide dissemination of information. During the year NADA has organized collection of about 2800 samples in an out of competition by deputing its officers to various places. Education Programme of athletes and coaches have been conducted in camps about the ill effects of doping and nature of banned substances as well as implications involved for anti doping violations in the light of the NADA Anti Doping Rules.
4. In August, 2010 WADA delegation visited NADA for two days and fruitful inter active discussions were held in regard to the implementation of WADA Code as well as the progress made by NADA in removal of doping in sports.

-
5. Ministry of Youth Affairs & Sports and NADA has successfully conducted the 7th Asia/Oceania Regional Inter Governmental Meeting on Anti-Doping in Sports on 24-25 May, 2010 in New Delhi, in which 58 delegates from 25 countries participated.
 6. Director General NADA represented India in October, 2009 in the Conference on the Parties to the International Convention against doping in Sports held in UNESCO Headquarters, Paris. India was elected from the Asia Pacific Region as member of the 'Approval Committee' for projects to be approved under the Fund for Elimination of Doping in Sports. The progress of India in regard to the activities related to Anti Doping as contained in the Convention was reviewed in this meeting and India was rated highly satisfactory.

National Dope Testing Laboratory (NDTL):

NDTL is responsible for testing dope samples and for conducting advance research on the subject by maintaining close association with the World Anti Doping Agency (WADA) and WADA accredited laboratories. As a member of WADA, the payment of annual contribution is also made. India has ratified the UNESCO convention against doping in sport.

NDTL achieved WADA accreditation on Sept. 21, 2008 after being in the probationary phase since October, 2006. The NDTL has been registered as Society under Societies Registration Act, 1860 on 8th October, 2008. WADA accredits a laboratory every year on the basis of proficiency testing (PT) passed by a particular Lab. For the year 2009, NDTL successfully participated in the PT rounds of WADA and the performance of NDTL has been appreciated by WADA.

Achievements during 2010:

The year of 2010 marked a time of various improvements in NDTL in the terms of better facilities, recruitment of new staff and their training, new test methods, increase in sample testing from India and other countries, international cooperation, research activities.

The lab shifted to new premises in May 2009, which has state of art facility with area of 2700 sq meter as against the earlier area of only 900 sq meters. The financial provision for the year 2009-10 was 14 crore and for the year 2010-11 was 12 crore.

The appropriate financial provisions enabled the lab to procure all the essential equipment in time bound manner and provide training to scientists on new test methods. With all the resources in place, NDTL could set up six new test methods in urine and blood (Erythropoietin, CERA, Human growth hormone, blood parameters and Blood transfusion and Hemoglobin based oxygen carriers (HBOCS) in the year 2010. With the inclusion of new test methods, India is one of the first ten WADA accredited labs which is doing complete test protocol as desired by WADA.

NDTL was selected as the dope testing laboratory for 1st Youth Olympic Games 2010 held in Singapore from 14-26 August 2010 and 19th Commonwealth Games 2010 held in New Delhi from

October 3-14, 2010 by way of open tender. During Youth Olympic Games, NDTL tested around 1162 urine and 125 blood samples. During Commonwealth Games, 1479 urine samples and 186 blood samples were analysed and report was sent within 24 hours. The laboratory remained open throughout the games and round the clock samples were received and tested. Eighteen foreign experts from various parts such as Germany, Italy, Australia, U.K, Japan and Austria were in NDTL for guidance and supervision.

The number of samples tested has increased from 1805 (2008), 2009(2432) to 7175 (2010). The target of testing 5000 samples given for the year 2010 has crossed to 7175. With the increase in the number of samples done in 2010, NDTL has acquired the status of again first ten labs in terms of number of samples tested in a year. Apart from routine sample testing, NDTL participates in various proficiency testing rounds which further ensures its credibility in the testing of dope samples. WADA has given appreciation letter to NDTL for its performance in proficiency testing rounds for the year 2009.

The international testing is from:

- Singapore Youth Games, Aug 14-24,2010 (1162 urine and 125 blood)
- Commonwealth Games Oct 3-14, 2010 (1475 urine & 186 blood sample).
- Testing of approx 1200 samples from other countries (Malaysia, Srilanka, Bhutan, Nepal, Laos, ITDM, Sweden, Singapore, Kuwait, Oman, Saudi Arabia) have been done in 2010.
- Tested 267 samples for 2nd Asian Beach games (Muscat) testing in Dec 6-16, 2010 (48 hr reporting).
- NDTL has earned revenue of approx 2.4 crore from international testing.

Bilateral cooperation:

NDTL has entered in bilateral cooperation with two premier laboratories in the world which are Drug Control Centre, Kings College, London and Anti doping lab, Rome, Italy. It is proposed to enter in bilateral cooperation with Cologne, Germany during the year 2011.

The Laboratory has expanded during the year 2010 its work on various research projects. It has presented five research papers in Cologne workshop in 2010 and propose to send more than eight in 2011. At present, NDTL has five researchers doing their Ph.D.

Future plans:

Apart from maintaining the higher level achieved during the year 2010 in terms of number of samples, new test methods and expanding on the research activities, NDTL proposes to set up Horse doping facility and Supplement testing for Govt approved agencies.

COMMONWEALTH GAMES 2010

The Commonwealth Games (CWG), a mega and a multi-disciplinary event, was successfully organized at Delhi from 3rd to 14th October, 2010. The competitions were held in 17 sports and 7572 athletes/coaches/officials from 71 countries participated in these Games. The Opening and the Closing Ceremony were held at Jawaharlal Nehru Stadium, the flagship stadium for the CWG. The details of sports and competition venues thereof, which were especially constructed/ renovated for the CWG, are at **Annex-XVI**. The total budget allocated to the Ministry of Youth Affairs & Sports for the CWG was Rs.6581.88 Crores i.e. Rs.2934.21 Cr for Sports Infrastructure; Rs.678.00 Cr for Preparation of Teams; Rs.2501 Cr to Organizing Committee, CWG out of which Rs.1814.00 Cr was as Loan; Rs.182.00 Cr for Telecom Infrastructure; and Rs.200.00 Cr for Security and Surveillance of Stadia and Venues.

The performance of the Indian Contingent at the Commonwealth Games was quite exceptional, resulting in an unprecedented haul of medals, which were more than double the medals India had won at the last Commonwealth Games held at Melbourne in 2006. India also finished second in the medals tally, ahead of the major sporting nations such as England, Canada, South Africa, etc with a total of 101 medals, the highest ever in any major multidisciplinary sporting event India had won. Discipline-wise break-up of medals won by India at CWG 2010 is given in the table below:

S.No.	Discipline	Gold	Silver	Bronze	Total
1.	Archery	03	01	04	08
2.	Athletics	02	03	07	12
3.	Badminton	02	01	01	04
4.	Boxing	03	-	04	07
5.	Gymnastics		01	01	02
6.	Hockey(Men)	-	01	-	01
7.	Shooting	14	11	05	30
8.	Table Tennis	01	01	03	05
9.	Tennis	01	01	02	04
10.	Weightlifting	02	02	04	08

S.No.	Discipline	Gold	Silver	Bronze	Total
11.	Wrestling	10	05	04	19
12.	Paralympic – Aquatics	-	-	01	01
	Total	38	27	36	101

The results have created a euphoric environment in the country and no doubt raised the hopes and expectations of the people for greater successes in the future. This performance has been carried forward in the recently concluded Asian Games in Guangzhou, where India, with a total tally of 64 medals, has won its highest number of medals ever, in any Asian Games. This dramatically improved performance by the Indian sports persons, has been a result of the intensive training provided to them over the past two and a half years under the 'Scheme for Preparation of India Teams for Commonwealth Games'. This Scheme had been conceptualized and formulated, with the objective of achieving excellence in multi-disciplinary sports events. The Scheme had been designed, after intensive consultations with the National Sports Federations and other stakeholders in the field of sports. The shortcomings in the previously conducted training programmes were identified and suitably addressed in the new Scheme.

INTERNATIONAL EXCHANGE OF SPORTS AND PHYSICAL EDUCATION TEAMS/EXPERTS

International cooperation in the field of Sports and Physical Education has been given importance for providing the much-needed opportunities to the Indian teams/experts for foreign exposure and for coaching/training abroad and for obtaining the services of coaches/experts from abroad.

During the year, an Indonesian delegation led by Mr. Heri Akhmadi, Deputy Chairman, House of Representative, Indonesia visited India on 16th July 2010. During the meeting, the proposal of Action Plans on sports besides other areas of Cooperation between two countries was discussed. Delegation also visited National Dope Testing Laboratory. 2nd Indonesian delegation led by Mr. Andi Mallarngeng, Indonesian Minister for Youth & Sports Affairs visited India in January 2011 and held discussions on areas of cooperation in the field of sports with the Minister of State (Independent Charge) for Youth Affairs & Sports.

A two member Indian delegation consisting of Shri Pravir Krishn, Special Officer, Sports Authority of India (SAI) and Shri Manmeet Singh Goindi, Deputy Director, SAI visited Belarus from 7-10 February 2011 to assess the sports facilities for training of National Indian Teams in different sports for the forthcoming London Olympics 2012 and to sign the Action Plan in specific areas of cooperation in the field of physical training and sports.

Under bilateral cooperation with Cuba, 56 coaches and community coaches were sent to Cuba for 4 week and 6 week training programme. While 29 high performing coaches including once coordinator drawn from Sports Authority of India and State Governments were sent for 6 week training programme, 27 community coaches including one coordinator, who have undergone Master Trainers Training Programme under Panchayat Yuva Krida aur Khel Abhiyan (PYKKA), were sent for 4 week training programme

NATIONAL PLAYING FIELDS ASSOCIATION OF INDIA

The National Playing Fields Association of India (NPFAI) was established in February 2009 as a Society under the Societies Registration Act 1860. Concerned at the shortage of open spaces and playing fields in the country and diversion of some existing fields to other activities, it was considered necessary to evolve an institutional arrangement to protect open spaces and playing fields. Accordingly, the Ministry of Youth Affairs and Sports took the initiative in setting up the NPFAI.

Union Minister for Youth Affairs and Sports is the chairperson of the NPFAI and the members include senior officers in the Ministry of Youth Affairs and Sports, representatives of State Governments etc. Eminent persons such as Shri F S Nariman, Shri Bishen Singh Bedi, Smt P T Usha, Smt Indu puri and Cdr Nandy Singh, among others, are founder members of the Society. The NPFAI was formally launched on 26th February, 2009.

The main objectives of NPFAI are:

- To protect, preserve, promote, develop and improve playing fields and open spaces and other facilities for sports and games; and
- To evolve a national policy on playing fields, playgrounds, play pitches, parks and open spaces.

The main focus of the NPFAI would be on protecting and preserving existing playfields and promoting new ones, apart from developing standards and norms process, for making available playing fields and open spaces.

The NPFAI received Rs 50.00 lacs as seed money from the National Sport Development Fund in July 2009.

While the NPFAI will be the apex body, all State Governments would be encouraged to set up similar societies at the state level, which would be affiliated with the national society. This initiative is expected to create a national awareness of the social benefits that flow out of playing fields, playgrounds and open green spaces in terms of quality of life and social inclusiveness. The concept of NPFAI and its objectives were introduced to the State Governments during the Conference of State Sports Ministers held in August 2009 and it was again discussed in the Sports Ministers'

Conference in September 2010 where all State Sports Ministers assured that State level Playing Fields Associations would be formed on priority. All the State Governments have been requested to expedite setting up of such bodies. So far, two States, namely Himachal Pradesh and West Bengal have formed State level associations. New Delhi Municipal Council (NDMC) has also formed a playfields association.

The NPFAI had signed a Memorandum of Understanding with the National playing Fields Association of the UK (its operational name is 'Fields in Trust') on 18th August 2009. The objective of the MoU is 'to establish a strategic partnership that involves collaborative arrangements and cooperation between the parties'.

Consequent upon signing the MoU, a two member delegation headed by the Chief Executive of the Fields in Trust (FIT) visited Delhi in September 2009. The purpose of the visit was to make site visit to various playfields across the city to make on the spot assessment and identify 2-3 sites to develop them as model playgrounds. The team visited some sports complexes and playgrounds in the city maintained by various agencies like DDA, MCD, NDMC, Civil Services sports control Board and Kendriya Vidyalayas. Based on the factors like need of the area, locality/accessibility of the field, shape of the site, sustainability etc. the delegation shortlisted some sites in Delhi.

Subsequently the NPFAI, in consultation with the local authorities, had identified some grounds for developing them as model play fields as pilot project. Out of them, the NDMC has already developed four locations as model playfields.

Separately, NPFAI has developed basic playfields models of different sizes providing minimum facilities which include leveled ground, kids play area with swings/slides etc., play facility for one or two sports disciplines, toilet facility etc. General guidelines for development of playfields are being finalized for circulation to State Governments and other stake holders. States are expected to adopt NPFAI guidelines with suitable modifications according to the local requirements.

Playfields/facilities have been developed in two Welfare Organizations for Government employees, thirteen Colleges and five schools in Delhi under the Commonwealth Legacy Plan with Central Government assistance. The facilities created include construction of synthetic courts for basketball, table tennis, shooting range, fitness centre etc.

NDMC has prepared a project identifying 78 sites of varying sizes in their jurisdiction for developing them as playfields. It is likely to be implemented soon.

NPFAI has developed a website (<http://www.playfields.nic.in>)

RECENT INITIATIVES/ACHIEVEMENTS AT A GLANCE

Scheme of Assistance for the creation of Urban Sports Infrastructure

The Government has approved introduction of a new central scheme titled 'Scheme of Assistance for the creation of Urban Sports Infrastructure' on pilot basis in 2010-11 with a view to addressing the entire 'sports eco-system' holistically i.e., players' training and development, coaching and infrastructure. The Scheme envisages development of playfields by the State Governments through Playfield Associations, coach development programme through Central and State Governments, setting up of players academies where SAI centres will provide the nucleus of a hub and spoke model for such academies catering to premier sports in each State. The Scheme will focus on promoting and supporting a mechanism at national and state level to encourage, assist and preserve community playfields, incentivizing utilization of infrastructure already available in the State at all levels by filling up critical gaps, creating ne need-based infrastructure and creating capacity building among coaches, including community coaches. Under the Scheme, State Governments, local civic bodies, schools, colleges, universities and sports control boards are eligible for assistance.

Successful conduct of Commonwealth Games 2010:

The Commonwealth Games is a mega sporting event, held every four years, in which 71 countries and territories participate. The 19th Commonwealth Games 2010 were organized successfully in Delhi from 3rd -14 October 2010. The sports and other venues were acclaimed as best among the world. The Opening and Closing ceremonies have been reported from all over the world, as being spectacular. The sportspersons and guests have gone back with lasting and happy memories. India, with its rich haul of medals, has emerged and has been recognized as a significant sporting nation in the world. Women athletes have recorded phenomenal performances. Indian athletes have registered outstanding medal winning performances even in those sports such as Gymnastic, Athletics, Swimming etc which have traditionally been poor performing sports for India. The Games have left behind a lasting legacy of sports and other sports infrastructure and above all, strengthened the sporting culture in the nation.

Commendable performance our athletes in multi-disciplinary international sports events:

Commonwealth Games 2010: The Ministry had undertaken a massive and unprecedented training programme for the elite sportspersons of India, to prepare the Indian contingent for CWG

2010. Scheme for Preparation of Indian Athletes for CWG 2010 with an outlay of Rs. 678 was put in place for providing comprehensive and intensive training and exposure to Indian sportspersons, both domestically and abroad. 170 Indian and 30 Foreign Coaches, 78 supporting technical personnel were involved in the effort. The core probables were pruned gradually, to ensure that the best probables are given further training upto CWG 2010. This has resulted in the best ever performance by India in any major, multi-disciplinary sports event with a haul of 101 medals (38 Gold, 27 Silver and 36 Bronze), which is more than double the medals India won at CWG, Melbourne, 2006. This achievement placed India 2nd in Medals Tally after Australia and ahead of major sporting countries such as England, Canada, South Africa etc.

Asian Games 2010: In 16th Asian Games 2010 held at Guangzhou (China) from 12-27 November 2010 also, Indian sportspersons put up a commendable performance and got record number of medals. India stood at 6th position in the medals tally, which is India's best since inception of Asian Games. India got 64 medals (14 Gold, 17 Silver and 33 Bronze).

South Asian Games, 2010: In 11th South Asian Games, 2010, held in Dhaka from 29th January to 9th February, 2010, India topped the medal tally by winning 174 medals (90 Gold, 55 Silver and 29 Bronze).

These outstanding performances by young Indian sportspersons have done the country proud. It is expected that they will carry them forward to the London Olympics and bring further glory.

Enhancement in award money for winners of medals in Commonwealth Games 2010 and Asian Games 2010: With the objective of motivating and boosting the morale of the sportspersons who did the country proud by winning record number of medals in Commonwealth Games 2010 and Asian Games 2010, the Government doubled the award money from Rs. 10 lakh to Rs. 20 lakh for gold medalists, from Rs. 5 lakh to Rs. 10 lakh for silver medalists and from Rs. 3 lakh to Rs. 6 lakh to bronze medalists. Award money worth Rs. 27 crore was disbursed to medal winners of CWG 2010 and Asian Games 2010.

Duration of Tenures in respect of office bearers of IOA and recognized NSFs: With the objective of bringing professionalism and transparency in the functioning of IOA and NSFs, the Ministry issued instructions on 1st May 2010 regulating the duration of tenures in respect of elected office bearers of India Olympic Association (IOA) and recognized National Sports Federations (NSFs). Government regulations issued in September 1975 capping the tenure of the President, Secretary and Treasurer at not more than two consecutive terms of four years each were kept in abeyance by way of executive instructions issued on 11.10.2001, 24.8.2002 and 31.10.2002.

Taking into account Delhi High Court's judgment dated 2.3.2009 in the matter of Indian Hockey Federation versus UOI and a Public Interest Litigation filed in Delhi High Court and international practices on tenure limits, the Department of Sports issued instructions vide letter dated 1st May 2010 restoring the tenure clause with some modifications. The modified instructions provide for the following:

- (i) The President of any recognized NSF including IOA can hold the office for a maximum period of 12 years with or without break.
- (ii) The Secretary and the Treasurer of any NSF including IOA may serve a maximum of two successive terms of four years each after which a minimum cooling off period of four years will apply to seek fresh election to either post.
- (iii) The President, the Secretary and the Treasurer of any recognized NSF including IOA shall cease to hold that post on attaining the age of 70 years.

Although the modified instructions came into operation with immediate effect but these instructions will not disturb the current tenure of any member provided he/she has been properly elected to the post. In other words, the tenure condition will become operative for all future elections as they may be conducted in future in their normal course.

Integration of sports and physical education with academic curriculum of schools:

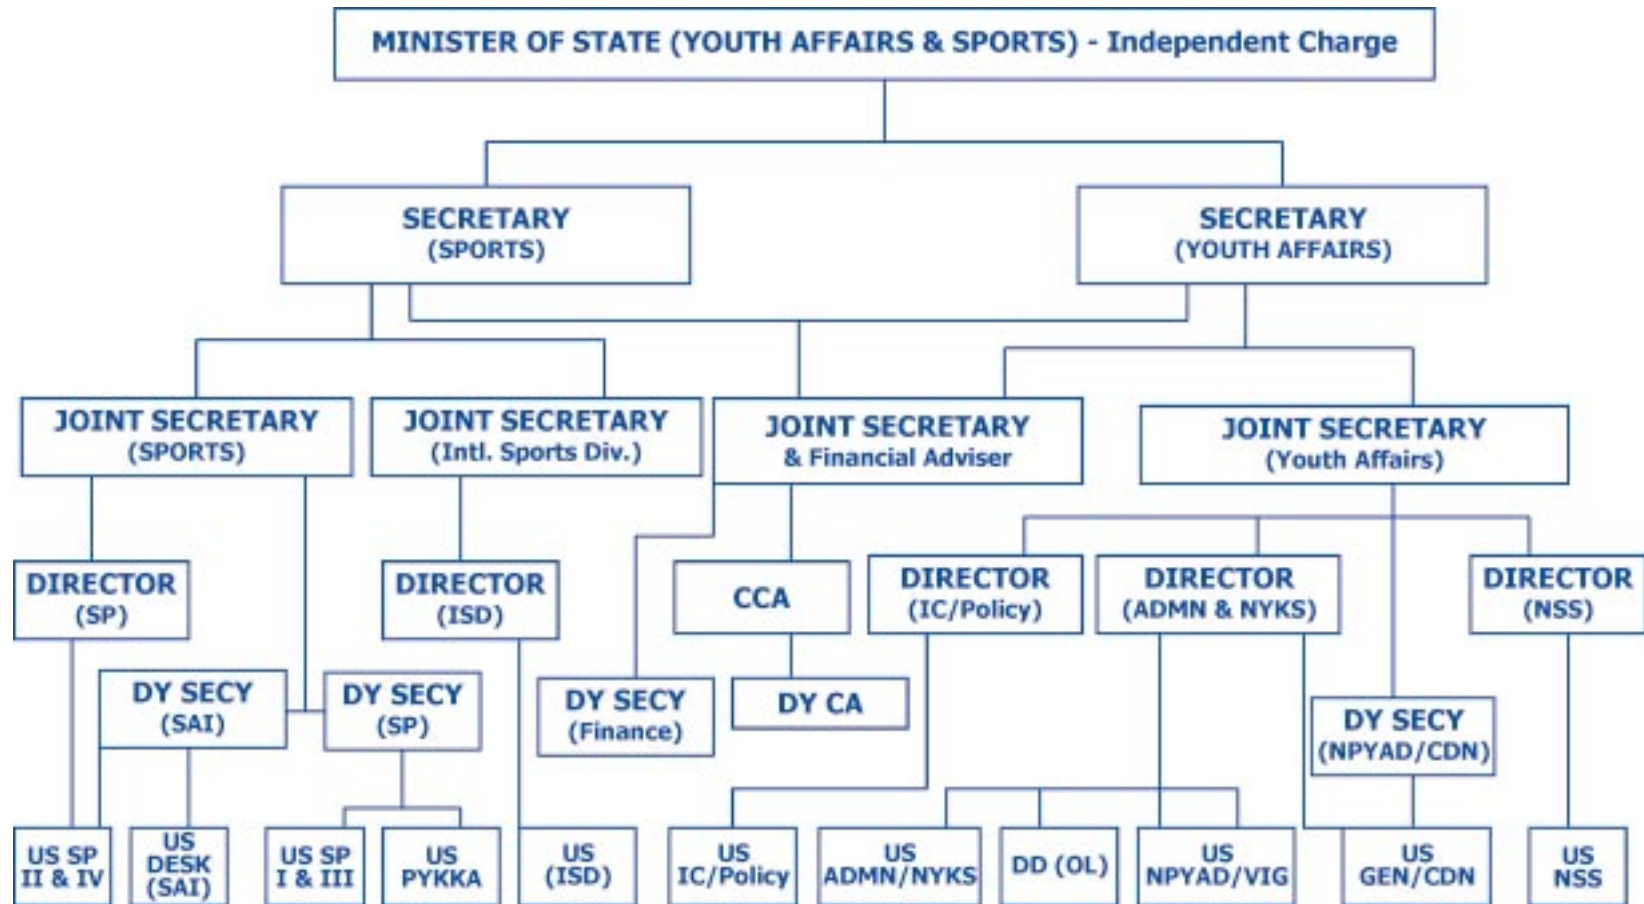

Sports, Education and Health are closely inter-linked with each other, which is why it is essential that sports and physical education form an integral part of school curriculum in order to promote all round development of children. Apart from health, sports and physical education also help in inculcating leadership qualities in students. Empirical evidence shows that students who are actively involved in sports activities also improve their academic performance. Even though the National Education Policy and National curriculum Framework underline the need for integrating sports and physical education with academic curriculum, its percolation to the school level has been very inadequate. The constraints are many, including lack of physical education teachers in schools, non-availability of playfields, excessive emphasis on academic curriculum etc.

The Ministry of Human Resource Development have recently enacted the Right of Children for Free & Compulsory Education Act, 2009 (RTE Act, 2009) in August, 2009, which provides adequate emphasis for physical education and sports in schools. With the enactment of RTE Act, 2009, no school can be established or recognized unless it fulfils the norms of playfields. Where a school established before the commencement of the Act, does not fulfill the norms and standards, it will

be required to fulfill such norms and standards at its own expenses within a period of three years. Where a school fails to fulfill the norms and standards within the specified period, the concerned authority shall withdraw recognition granted to such school. In a school (6th to 8th Class), where admission of children is above hundred, it is mandatory for the school to have a part-time instructor for health and physical education. Building of the school, which is to be all-weather building should consist of, among other things, playground. Play material, games and sports equipment are required to be provided to each class, as required.

Since RTE Act, 2009 has come into existence, it is desirable that all provisions of the Act are strictly implemented and no school is allowed to come up, unless it complies with the norms specified in the schedule of the Act and the existing schools, established before the commencement of the Act, are made to comply with the norms within a period of three years, as specified in the Act.
